An official announcement re: Marrowstone Music Festival performances August 6 & 7

Benaroya Hall has limited capacity for these performances as they ramp personnel back up after an extraordinary year. At this time, **a maximum of 400 orchestra-level tickets are available** for public purchase.

Additionally, Benaroya Hall staff requires all concert attendees to wear **masks while within the premises, including in the auditorium during the performance. Social distancing will not be required** but may be observed in the hall due to the abundance of open seating.
